North42 Gin

Conceived with a passion for great flavours, purveyor and creator Joanna has meticulously curated two modern culinary gins.

Joanna crafts and pairs the gin recipes with dishes to bring a truly unique dining experience. Copper pot distilled using grain spirit and natural ingredients. Both our flavours are the perfect balance of Valencia orange & passion fruit and rhubarb & blood orange with essential botanicals.

We believe our gins are truly indulgent and bursting with flavour - as always the proof is in the tasting!

Both our flavours are stocked in all the UK Selfridge's stores, across many establishments in the UK and locally.
