## North42 Gin

Conceived with a passion for great flavours, purveyor and creator Joanna has meticulously curated two modern culinary gins.

Joanna crafts and pairs the gin recipes with dishes to bring a truly unique dining experience. Copper pot distilled using grain spirit and natural ingredients. Both our flavours are the perfect balance of Valencia orange & passion fruit and rhubarb & blood orange with essential botanicals.

We believe our gins are truly indulgent and bursting with flavour - as always the proof is in the tasting!

NORTH42 Gin is now stocked in the Selfridge's stores and locally such as Baker's & Lerner's, Sheringham Little Theatre, Sheringham Golf Club and on the North Norfolk Railway, local steam train gin experience.
